

Palmerston District Primary School

Mobile Phone Policy

Rationale

When used appropriately, mobile phones offer students, their parents and staff advantages in terms of ease of communication and a sense of personal safety. While discouraging students from bringing mobile phones to school, Palmerston District Primary School accepts that some parents give their children mobile phones to protect them from everyday risks involving personal security and safety. However, mobile phones have the capacity to have a negative impact on the learning environment and when used inappropriately can put the safety and well being of students at risk. The widespread ownership of mobile phones among young people requires that the staff, students and parents at Palmerston District Primary School take steps to ensure mobile phones are used in a responsible and safe manner.

Purpose

The purpose of this policy is to ensure that:

- 1) Mobile phone use does not disrupt the teaching and learning environment for any teacher or student;
- 2) Potential risks to student safety and well-being posed by inappropriate use of mobile phones can be identified and addressed;
- 3) Students, staff and parents have a clear understanding of school guidelines and personal responsibilities related to the appropriate use of mobile phones.

Responsibility

- 1) Palmerston District Primary School strongly discourages students from bringing mobile phones to school. However, in the instance that parents feel it is necessary for their child to bring a phone to school it is the responsibility of the student to abide by the appropriate use guidelines outlined in this document.
- 2) The decision to provide a mobile phone to their children should be made by parents or guardians who should be aware that their child is bringing a mobile phone to school.
- 3) Permission for students to have a mobile phone at school is contingent on parents and students signing the *Appropriate Use of Mobile Phones at School* agreement.
- 4) It is the responsibility of all staff and parents to comply with the appropriate use of mobile phones guidelines as outlined in this document.
- 5) The school accepts no responsibility for lost, stolen or damaged phones in the instance that they have not been signed in. The school also accepts no responsibility for students who lose or have their phones stolen whilst travelling to and from school.

Guidelines for Acceptable Use of Mobile Phones

- 1) Students are only permitted to bring a mobile phone to school once the *Appropriate Use of Mobile Phones at School* agreement has been co-signed by the parent and student.
- 2) All students are to be made aware of the unacceptable uses of mobile phones to ensure they have a clear understanding of what is and is not appropriate.
- 3) Mobile phones should be switched off as soon as students enter the school grounds.
- 4) All mobile phones are to be handed in to the front office at 9:00am each day and retrieved at 3:00pm. Phones need to be signed in and out in the Student Mobile Phone register book by the owner of the phone. Students are not permitted to sign a phone in or out on behalf of another student. Phones will be kept in a secure location during the school day.

- 5) Students will only be granted permission to access their phone between 9:00am and 3:00pm under exceptional circumstances. Such requests will be handled on a case-by-case basis and should be directed to the Deputy Principal or delegate. Parents are reminded that in cases of emergency or when messages need to be passed onto students the school office remains the sole point of contact and will ensure any student is contacted and assisted in an appropriate and timely manner.
- 6) Students should protect their phone numbers by only giving the number to friends and family to ensure they are receiving communication from people known to them. It is strongly advised that students use passwords or pin numbers to ensure unauthorised phone calls or SMS messages cannot be made from their phone by anyone other than the owner of the phone. Students must not lend a phone to another student at any time. The student who owns the phone will be held responsible for its use;
- 7) Mobile phones will be clearly tagged with the students name upon receipt of the phone at the front office.
- 8) Students are not permitted to bring mobile phones on school excursions and overnight camps under any circumstances. School staff will not be held responsible for the security of phones should this guideline be breached. In instances where students need to contact their parents this will be organised by supervising staff.

Unacceptable Use of Mobile Phones

- 1) Unless express permission is granted, students are not to be in the possession of a mobile phone at any time between the hours of 9:00am and 3:00pm. Accordingly, mobile phones should not be used to make calls, send SMS messages, access the internet, take photos or use any other application while students are on school grounds.
- 2) Using mobile phones in an inappropriate manner is unacceptable and students will face appropriate consequences.
