PRINCIPAL'S MESSAGE

Firstly I'd like to thank everyone for the warm welcome I've received here at Palmerston. My name is Will Johnston and I have been appointed as acting Principal for the remainder of Term 1. The selection process for the new principal will occur in the very near future and once finalised, the community will be informed of the successful applicant. In the meantime, should you see me around the site, please feel free to come up and introduce yourself. Alternatively I'm more than happy to receive emails and can be contacted at william.johnston@ed.act.edu.au.

During my first few days at the school I've spent time in classrooms across the school and have been impressed with the willingness of students to share their learning with me. This morning I read with a number of the Kindergarten students and was so happy to see the large amount of parent volunteers supporting our young readers. I also attended Monday night's P&C Meeting where again a number of parents were working hard to support and provide opportunities for the children of the school. Palmerston certainly is a community school!

I'd like to remind families that supervision before school starts from 8:30am on the black top. Please do not send students to school before this time, unless they are attending before school care. As a reminder this service is provided by Communities at Work where information can be found by visiting their website at <https://commsatwork.org/services/children/palmerston-district-primary-school/>.

For parents of students in Kindergarten, you will soon receive results of your child's start of year Performance Indicators in Primary School (PIPS) assessment. Students will complete the assessment again at the end of the year. Please speak to your child's teacher should you have any queries regarding this.

TRAFFIC UPDATE

Thank you for the ongoing support of the community in ensuring Palmerston's carpark is a safe and friendly place to be. A reminder to be patient and park safely in the allocated bays. We have recently met with Traffic and Asset Management and they are finalising plans to improve the flow of our carpark. We are expecting this to occur in the second half of the year. There will be some disruption but it will give us a better flowing car park. Palmerston is a part of the active schools program and this is parked with blue stencils, these provide safer routes for walking to school. We are lucky that at Palmerston we also have an underpass which allows students to not have to cross over the busy road. Under the parking requirements we are required to have a total of 84 car spaces, we are lucky that at Palmerston we have a total of 107 car spaces. Remember key suggestions for avoiding car park congestion are: Pick your child up at five or ten minutes later in the afternoon or park at the shops. A parking van has again been patrolling the area and is issuing tickets for those who park on the kerb.

COMMUNITY NEWS

School travel and safety survey

Transport Canberra and City Services has engaged First Person Consulting to conduct research into parents' attitudes to their children's active travel to and from schools. Part of this is investigating the role that crossing supervisors have in improving safety around schools, and the extent to which parent's attitudes to children travelling actively change as a result.

You may have completed a similar survey last year, this is the final survey as part of the evaluation to gauge parent perceptions about safety around schools.

To complete the survey please click [here](#), or copy and paste the following link into your browser:

<https://www.surveygizmo.com/s3/4828047/School-Crossing-Supervisor-Survey-Control-Feb19>

The survey should take about five minutes. The survey will not collect any identifiable information, and all responses will be kept confidential.

Thank you in advance for your time in completing this survey. If you have any questions please contact the [TCCS Schools Program](#).
