We have endeavoured to bring the Stationery Packs down to the essentials. This has also assisted us to keep the costs to a minimum. Items included on the list are those that support teachers and students to function effectively in the classroom and it works better if they are all the same. Teachers work collaboratively to choose items that meet the needs of students in the different year levels and allow for the highest possible learning outcomes. The taking up of the bookbags is voluntary. Attached is the Stationery Pack List for your child for 2019. Please take the time to read the information included on the order form.
