

IT Rollout for ACT Lockdown – Device Request

Dear Families,

We have been advised that as of Friday 20 August 2021 schools in the ACT will move to remote learning until Thursday 2 September 2021, with the possibility of longer. As such, our school is preparing to ensure that all families will have access to a device for learning from home.

Years 3 to 6

Students from years 3 to 6 were sent home with their device on Thursday 12 August. If your child was absent from school on that day we ask that you please complete the following form.

<https://forms.gle/JfScs98uAj81vsJf8>

Preschool to Year 2

We ask that you only request a device if you do not have access to a device for your child at home who is in Preschool, Kindergarten, Year 1 and Year 2. Please complete the following form.

<https://forms.gle/JfScs98uAj81vsJf8>

Families without internet access at home, can request a mobile dongle. Please complete the request form or contact the Front Office as soon as possible so they can be ordered. <https://forms.gle/JfScs98uAj81vsJf8>

*In the initial rollout we are starting with **one device for students in years 3 to 6 and then one device per household only when requested for students in Preschool to Year 2.** If we are fortunate enough to secure more working Chromebooks, we will then prioritise junior grades.*

If you need to make a request we ask that you please do so as soon as possible so we can distribute devices. The requests will be collated at 3:00pm everyday. We will be in contact with families who have requested a device through this process. Please check you emails regularly for updates.

If you have any questions or concerns, please contact the Front Office. We appreciate your support with this plan in the coming days.

Kind regards,

Kate Smith
Principal
