

Palmerston District Primary School Newsletter Issue 5 2023

Principal

Hello families,

Last week, we acknowledged Sorry Day and the start of reconciliation Week with emotional, moving and significant learnings all across the school. We thank Monica Harland and her colleague on guitar for coming along and performing an original song, beautifully backed up by all Yr 5 students.

'Connections in all directions' certainly was a big part of our learning last week.

Thank you to all the families who came along for both Assemblies, it was wonderful to see so many of you join us in the Hall. We are back to pre-covid times for sure.

Last week, I sent a short video to all families to gain momentum for family contributions to assist us shape our next big body of work. This week you will have been sent two different emails with two different topics that we would dearly love your support with.

Having a lot of responses will give us opportunity to make sure we are considering a vast array of information from our diverse families.

For those of you who may not have time to fill out the google forms, I urge you to, as we are really wanting to harness feedback from as many families as possible. You will have until Friday June 9th to have your say.

Task 1: Graduate Profile

In building a 'portrait' of a graduate, or a 'graduate profile', we believe this is a unifying first step toward creating a future-driven learning program at Palmerston DPS. We believe the Graduate Profile (or Portrait of a Graduate) should become an integral part of the way people perceive, talk about and experience our school.

It will be a visual representation of the essential skills and habits of mind that define learning experiences at Palmerston DPS. We want it to be aspirational, memorable and a public commitment to redefine success and showcase evidence of holistic learning.

Task 2: New Values – is it time to change?

Having completed the recent School Review - focussed on the last five years School Improvement journey - we have honoured the past.

Now, it is time to shape the future.

We would love to hear from our families about how we could 'lift and shift' the current PRIDE values to contemporary futures-focussed values, that better represent our 'essence'.

As a staff, we are currently examining the PRIDE values and looking at other options. During the current phase of clarifying our work - we generally feel there are better words to describe our students' journey through Palmerston.

After Friday 9th June, we will jump in to sift through all of the responses.

Thank you for your understanding when staff are away recently, and I daresay into the future as well.

We have a critical shortage of relief teachers across the ACT, so when teachers are away, and we cannot use our release teachers, splits are inevitable. With Directorate knowledge, there are times in some classes, across some sessions where viewing/listening/writing/drawing responses will be utilised. Executive Teachers and Deputy Principals also go on class, as well as staff taking on several additional duties at recess and lunch time. We hear on the grapevine that parents do not approve of this – we apologise, but there is little other option we have. We are creative in our approach such as : whole year level dancing on the basketball court and Yr 4 mentoring Kinder sports on the oval. The Directorate know, on a daily basis, how staffing is across all schools, and they work closely with us on a daily basis sometimes, and give directions of how to manage the day if we need to slide into Phase 2 – which is supervisory activities.

Keeping your ill child home, helps prevent the spread of germs to their peers as well as teaching and non-teaching staff. We are heading into winter, please know we greatly appreciate your decisions to keep unwell children at home.

Until next time, keep warm and enjoy the cooler temperatures.

Kate Smith

Principal

Deputy Principal

There is nothing that warms my heart more than watching our students shine! Last week our Kindergarten students shone brightly as the hosts of our K-2 assembly. What courageous, confident and charming hosts they were! Their item was fabulous, and I even learned a few exercise moves to try at home. Thank you Kindergarten! Year One also did a fabulous job of bring a story to life through their sound scape presentation and the performance of the song Inanay. Such a beautiful thing to witness. Well done Year One. Year Two also should be commended for their powerful dance! The joy on their faces as they watched themselves on the big screen was magical.

Preschool have been working hard too and having fun along the way. They continue to lead us all as expert explorers of the world around them. This term they all had a special visit from Healthy Harold, an Australian icon and loveable friend to us all. After his visit many staff reminisced about their own childhood days and school experiences where Harold would visit in his special caravan to teach us all about living healthy lives and making good choices. I myself, can remember the butterflies in my stomach as a child, the excitement and anticipation, at the very thought of being in Harold's presence. I can still remember how soft he was as I cuddled him before saying goodbye. Thank you to our preschool staff for bringing Harold to Palmerston District primary School and organising this important event for our preschool friends.

I am always bopping, dancing and singing through the corridors of Palmerston Primary School. So you could imagine my delight when I heard the funky beats of Timmy and the Breakfast Band coming from the hall. What brought my heart even more joy was hearing the delightful shrieks and laughs of the children. I would like to thank Mrs Ryan for inviting Musica Viva to perform for the boys and girls in Kindergarten to Year Two. The group were entertaining and so much fun! The band were able to further explore emotions, feelings and interactions through their music. Such a clever, engaging and energetic way to demonstrate how make connections with our emotional intelligence.

In the coming weeks Year One students will attend an excursion to Muligans Flat. This will be a part of their learning about diversity. Students will be provided opportunities to be expertly guided through eco systems and be part of hands on experiences to explore the sanctuary and the world around them. Finally, a reminder for Kindergarten families. All children are offered a Kindergarten Health Check in their first year of primary school. A reminder to the Kindergarten families that Kinder Health Checks will take place on the **5th, 6th, 7th and 8th of June**. As the website states, the aim of this program is to promote child health and wellbeing, and help identify children with potential health problems that may affect their ability to learn. You can find more information here <https://www.canberrahealthservices.act.gov.au/services-and-clinics/services/kindergarten-health-check>

Marijana Pasalic

Deputy Principal

Key Dates

Sports Dates

2nd June - North/Gungahlin Regional Cross Country

5th - 8th June - Kinder Health Checks

12th June - Public Holiday

13th June - Mulligans Flat Excursion Yr1

20th June - P&C Meeting 1.45pm POD 10

23rd June - P&C Disco

21st July - Save the date - Trivia night - Gungahlin Lakes Club (tickets on sale soon)

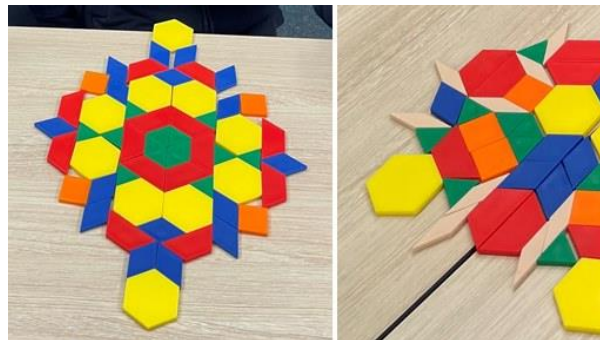

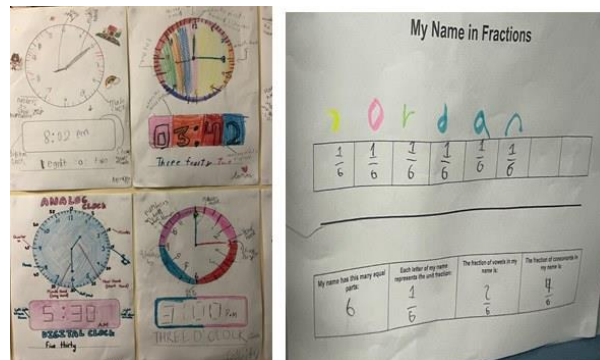

Class Connections - Year 3

In our writing unit we have explored language features of expositions. We took a position on a posed question, used high modality words, such as absolutely, must and unquestionable to persuade and convince the reader of our point of view. Students will continue to explore language features at word, sentence and paragraph level. In reading workshops we have focused on the reading comprehension strategies visualising, making connections and predicting.

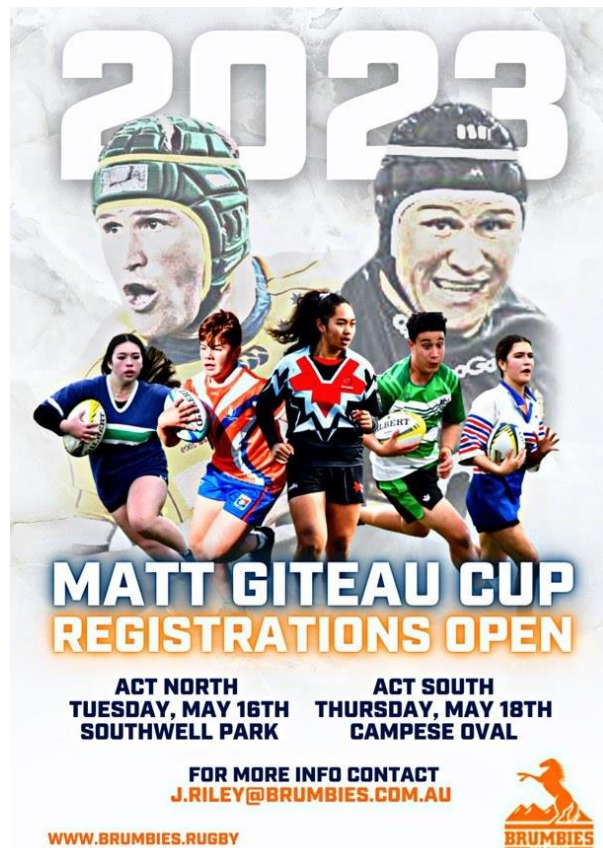

In Year 3 Maths we have been having fun learning to tell the time to the nearest minute, looking at symmetry in the environment around us, mapping familiar locations on a grid map with a focus on

showing position and pathways and also identifying fractions including halves, thirds, quarters and fifths (Some of us can identify fractions beyond this and can even plot them on a number line).

During inquiry this term, Year 3 have been learning all about place, from the different characteristics of places to how people might connect to them. Recently, we have learnt all about natural and manmade landmarks and created some vibrant posters of specific landmarks that included diagrams, the location, and some general information about the landmark.

Sports News & Information

Palmy Sport

Rugby Union Gala Day, Matt Giteau Cup, for years 3/4 and 5/6 was a great success in week . The Palmy teams learnt new skills and conducted awesome sportsmanship displaying the Palmy values. Well done to all that participated and thanks to Kate and Nate for your support with these teams.

The Sullivan Shield Rugby League Gala Day in week 6 was also a great success and Mr Stranger and Nate were on hand to assist the 3/4 and 5/6 teams. There were wins all round and again great sportsmanship was key.

Jump Rope for Heart jump off day saw lots of students and teachers having fun skipping on the blacktop and basketball court and we raised over \$3100. Well done to all that participated and learnt new skills.

Good luck to the Regional Cross Country team representing Palmerston School at Mount Stromlo on Friday 2nd June.

Next term we will hold our Athletics Carnival Friday 11th August (week4) on our oval, fingers crossed for good weather! More info to come later this term.

The HPE Team

We're excited to open registrations for Budding Brumbies 2023!

The program will feature two hubs, North & South Canberra, providing children aged 5 – 8 a safe and enjoyable rugby experience that both participant, parent / guardian and family can immerse themselves in.

Please see attached the program flyer with additional information – below are registration links to the specific hubs along with the program launch article.

- **Canberra South Hub Registration Link:** <https://form.jotform.com/231148047174857>
- **Canberra North Hub Registration Link:** <https://form.jotform.com/231147274115853>

Rugby- Come and have a go!

Palmerston District Primary School is offering a FREE Rugby come and try program again over the course of the year beginning on Thursday 16 Feb, 2023 (week 3).

The program will run for 4 consecutive weeks at 3:10- 4:00 on Thursdays on the school oval. A Gungahlin Eagles Rugby Club junior coordinator and coach Leigh Hancock will facilitate the learning and fun activities, giving students a great introduction to Rugby.

There will be a teacher present for the program however parental supervision is encouraged to support the smooth running of this great program.

No equipment is required of the students and there is no cost. Please ensure your child is wearing appropriate running shoes, appropriate clothes, and a labelled drink bottle each week.

Term 1: years K-2

Term 2: years 3 and 4 (commencing Thursday 4th May)

Term 3: years 5 and 6

Term 4: years TBA

Please email Natalie.edwards@ed.act.edu.au¹ with their name, and class if you are interested in your child participating.

For information on enrolling in Gungahlin Eagles to play rugby this year please visit <http://www.gungahlineagles.com.au/>

Thank you for showing interest in Rugby.

2023 will be a great year for sport at Palmerston District Primary School. We are bringing back team sport gala days with the following sports:

Term 2-

ACT Tennis (online entry only)

AFL for years 5/6 (Coach required)

Rugby for years 5/6 (Coach required)

Buroinjin for years 5/6 (Coach required)

Tennis for years 5/6 (Coach required)

Term 3- Basketball for years 3/4 and 5/6 (Coach required)

Tennis for years 3/4 (Coach required)

Term 4- Rugby League for years 3/4 and 5/6 (Coach required)

Canteen

Canteen News

Canteen News

It's lovely to see your students using the School Canteen. We would like to give you a few ideas to make their canteen experience a fun one.

Each week the canteen will have a "lunch special" that will be advertised on Facebook which you can select on the app.

Lunch & Recess orders can be placed via myschoolconnect.com.au Tuesday - Fridays

Recess – Over the counter & online daily.

Please remember to look at the recess & lunch snack and drink menu and ensure your child has enough money for what they wish to purchase over the counter. Prices start from \$1.00 in the Canteen.

We would appreciate it if you could not send large notes to school with your child.

Recess & lunch menus attached.

We would welcome any parent/career who would like to volunteer in the Canteen. You would need to have your WWVP card.

Thank you from the HKA team.

HEALTHY KIDS ASSOCIATION -PALMERSTON DISTRICT PRIMARY

Additional Information

Managing Staff Absences

As the colder weather sets in, we expect to see a higher number of staff away at times due to seasonal illness and COVID-19.

To ensure that we continue to provide all students with quality learning with minimal disruption, we may be implementing temporary changes to our learning programs.

If required, some classes may be combined for short periods of time. We may also deliver student self-directed learning onsite using either online modules such as Google classroom or hard copy resources.

The school may also take the opportunity to temporarily modify timetables or work with external providers to deliver some programs. There may also be a need to postpone excursions and other extra-curricular activities until there is enough staff to support them.

Every school will implement these measures differently and has the flexibility to make choices that best meet the needs of their school community.

If changes are required at our school at any time, we will write to you to let you know. We will also ensure we keep you up to date on how long we expect any changes to be in place.

As always, we remain committed to providing our students with high quality learning experiences in a safe and welcoming school environment.

Thank you for your understanding.

Staying COVID Smart at school

To help minimise the spread of COVID-19 and other illnesses in our school please remember the following:

- Students who are COVID-19 positive or displaying symptoms (including a runny nose, sore throat, cough, fever) should test and **must not attend school while unwell**.
- If your student is COVID-positive **let us know**.
- Practise good hand and respiratory hygiene.
- Keep up to date with vaccinations.

You can access **free rapid antigen tests** from the front office. Nasal and saliva tests are available.

For the latest COVID-19 advice please visit the ACT's COVID-19 website².

Safe parking around schools

The start of the school year is a particularly busy time in our school carparks and surrounding streets. It's important that we park safely and legally to support the safety of students.

²<https://www.covid19.act.gov.au/home>

Parking on a footpath, nature strip or roadside verge can:

- Cause safety risks for pedestrians as they are less visible to oncoming cars
- Increase the risk for vulnerable members of our community like children, people who are visually impaired, and those using a wheelchair or pram
- Restrict the line of sight for other road users
- Restrict access for emergency services vehicles.

Parking on nature strips can also damage trees, footpaths, gutters and underground pipes and cables. Please also remember not to park across driveways or block neighbouring residents' properties.

As students return to school remember to also slow down and stick to the 40km/h limit around our schools between 8am and 4pm.

Parking inspectors regularly patrol school zones to support safe parking and keep students safe.

If you cannot find a car park in our school car parks, we suggest parking a little further away and walking or riding the rest of the way – it's a quick and easy way to get in some exercise too.

Let's all work together to keep our kids and community safe!

More information about travelling safely to school is available on the Transport ACT website³.

Well Being Journals

Thank you for your patience in purchasing the "My Wellbeing Journey" book from the school.

The school "My Wellbeing Journey" books are now available to purchase at the front office via EFTPOS.

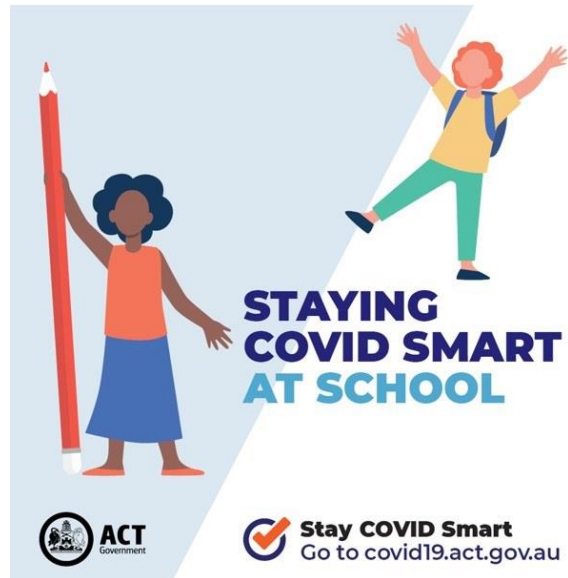

The prices are as below.

Years 1 – 5 - \$15.

Year 6 - \$10.

Please note, If a school book pack was purchased, there is no need to purchase the additional book.

³<https://www.transport.act.gov.au/travel-options/schools/travel-safely-to-school>

Host Family Needed

Dear Families and Friends,

We are still looking for host families for the balance of the 2023 school year for our visiting Japanese Teacher's Assistant. Takuto is a 23 year old with a great sense of humour. He is able to pay a contribution (\$200) towards board each week while he is volunteering at school. We hope to continue to run this program in 2024 with a 22 year old female student. but really need community support to do this. You could host anywhere from 4-10 weeks. Please get in touch with us if you can assist either this year or next.

AUSTRALIAN GIRLS CHOIR

Is this your daughter?

Look no further than the Australian Girls Choir because we encourage, challenge and inspire girls as they learn to sing, dance and perform.

**Join us at our
JUNE OPEN DAY**

AUSTRALIAN SCHOOL OF PERFORMING ARTS

AUSTRALIAN GIRLS CHOIR

An experience that goes far beyond the stage!

Girls blossom as members of the AGC, both on and off the stage. Your daughter will develop confidence, public speaking and presentation skills, resilience and friendships that will last a lifetime.

Our senior performers have shared the stage with a long list of artists including Hugh Jackman, Amy Shark and Kylie Minogue. We are proud to have represented Qantas for 25 years in the iconic 'I Still Call Australia Home' advertising campaigns and at hundreds of live events.

Now accepting Semester 2 enrolments for our rehearsal venue in Deakin.

JOIN US AT OUR JUNE OPEN DAY
 Register now at ausgirlschoir.com.au/joinagc or phone 02 9922 6733

AUSTRALIAN SCHOOL OF PERFORMING ARTS

Enrol Now

Your local public school has a place for your child to learn, develop and reach their potential. Online enrolment in the ACT can be made for children from Preschool through to Year 12, for ACT residents and NSW residents in the region surrounding the ACT.

Online enrolment for the current school year can be made using the relevant links below. Enrolment applications are assessed throughout the year when submitted.

If you have any questions about enrolment or schooling, such as setting up healthcare supports or inclusion and access adjustments for your child, please contact your local school⁵ as soon as possible to discuss how we can best welcome, support and include your child.

2024 Enrolment Timeline

- **26 April 2023 (6:00am) – 2024 online enrolments open via the ACT Education Directorate website**
- **2 June 2023 (11:59pm) – Bulk round for Preschool completed. Enrol by this date to receive an offer from 24 July 2023**
- **Applications made after 2 June 2023 will receive an offer later in the year**
- **Families can enrol for 2024 at any time during the year after April 26 2023**

⁵<https://www.education.act.gov.au/public-school-life/enrolling-in-a-public-school/school-enrolment-email-addresses>

- **September to December 2023 - Communication sent to families regarding 2024 school year/orientations**
- **Monday 29 January 2024 - All new ACT school students commence first day of Term 1 2024**
